Our Funeral Homes make no representations or warranties about the protective value of certain caskets or outer burial containers other than those made by the manufacturer. The only warranties, expressed or implied, granted in conjunction with goods sold with this funeral home service are the express written warranties, if any, extended by the manufacturer thereof. No other warranties of merchandising fitness for a particular product are extended by the seller. The descriptions "Protective" and "Non-Protective" are the manufacturers. Although certain caskets offered for sale by this establishment may be of better-quality construction and comprised of more durable material than others, neither this establishment nor any of its employees represents or implies that any casket will be air-tight or water-tight or will provide long-term preservation of human remains. Prices effective October 21, 2019 but are subject to change without notice. Some of these caskets may not always be available in the selection room, but all are available through our warehouse.

Outer Burial Container Price List

These prices are effective October 21, 2019 but are subject to change without notice. All outer burial containers are priced within 50 mile radius. Beyond 50 miles, add \$1.95 per mile. Prices include a complete cemetery service set-up of tent, chairs, grass, etc. If set-up is not necessary, a credit of \$200 will be applied.

Saturday services incur a \$275 overtime fee from the vault company.

In most areas of the country, state, or local law does not require that you buy container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not settle indefinitely. Either a grave liner or a burial vault will satisfy these requirements.
